MEO-9010-CH / Shown with Perforated Leather Top

A modern twist on the tuxedo style, this lounge collection has a scale that suits today's environments with great design appeal and unique accents. The upholstered units are constructed in two pieces, so color, texture, or patterns may be mixed to create a specific design statement. The 360° memory-return mechanism on the lounge chair offers movement while seated, but keeps the area neat when parties leave. Leather wrapped, low tables offset space without visually distracting users. Tables offer white or black glass top, along with a variety of veneer options.
